

Sapphire Block

2018 Stationery List

Monday 18th December 2017

Kia ora whānau,

This year it was great to have tamariki ready to go with the correct stationery by purchasing packs through the school and Officemax. This is a great system that's convenient as we can track orders and ensure the correct books are being purchased. Please note the school does not make any money from this, it is purely the love of our amazing office staff who organise this for us!

As a school we operate on a shared stationery system and will replenish items as needed. As we distribute your child's books they can take them home to be covered if wanted.

As a lot of our work is done on chromebooks our stationery costs are less than the other blocks.

Cost: \$24
BOT account: 12-3478-0038482-00
Particulars: Sapphire block
Code: Stationery
Reference: *(Your child's name)*

We look forward to an amazing year next year with you and your tamariki. Have a great Christmas and we will see you all in the new year.

Nga mihi,
Ashton Stuart and Lisa Webster
