

Kindo allows you to pay for all school costs and includes reply and permission slips with the payment. You will no longer need to send paper copies back to school.

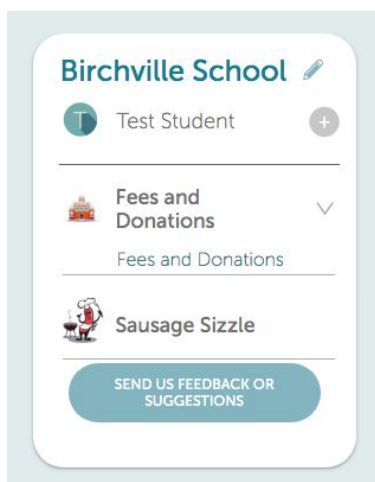

Here is some information regarding signing up to Kindo.

Registration for our online school shop

We've set up our Kindo online school shop to make it easy for our families to pay for school costs and sausage sizzle lunches - anywhere, anytime. It's open 24/7!

It is our preferred method of payment and we encourage all families to register now.

Registration is easy – follow these steps to set up your family account today:

1. New users can [Click here](#) for our registration link.
2. Enter in the same email address the school has on file for you and click 'continue'.
3. A confirmation email with a link will be sent to you. Click on the link and enter a password to complete your registration.

Your family account is now set up.

Next time you log in you will just need to enter your email address and password. Already have an account? [Click here](#) to log in and make sure you have linked your students by clicking on the Fees and Donations icon.
