Birchville,

On Wednesday 25th September our amazing little kura is hosting the biggest cultural event for all of our local Upper Hutt Schools, Intermediates and Colleges. As a part of the festival hosting we will be selling home baking. We are asking for donations of baking from the whole school, for the kitchen on the day. If we could please have a donation of baking from each whānau we will have plenty of kai to feed the community.

Donations of baking can be dropped to the staffroom in the morning of Tuesday the 24th of September. We would really appreciate your help!

If you could please keep the following in mind:

- ☐ Please no nuts of any kind in the baking
- ☐ Please pop a note in with your baking if its free of anything e.g. (dairy, egg, wheat etc)
- ☐ Please do your best to drop off baking in a disposable container (ice cream container, bakery box etc) to avoid anyone losing any precious tupperware :)
- ☐ This will be left out overnight please no fresh cream or cream cheese etc...

Thanks so much for your ongoing support, we can't wait to showcase our awesome kura hosting, showing manaakitanga and all of our GEMS.

Nga mihi maioha
